You are the Data Quality Compliance Manager of Nairobi Women's Hospitals Group. You have been tasked to identify opportunities to improve practices and processes related to enhancing data integrity. Write a Data Quality checklist that you can use during your research to help you undertake the given question.

As a guide, you can use the following resources;

1. Pharmaceutical Data Integrity Checklist. **[Link] (https://drive.google.com/open? id=171nds3tkkhxUjsMzdJBMyIVGsiM1rc2Z)**

2. World Health Organization (WHO) "Annex 5: Guidance on Good Data and Record Management Practices". **[Link] (https://drive.google.com/a/moringaschool.com/file/d/1bPNduFScunpCC-50svk6wvxlomgVXVom/view?usp=sharing)**

Your final deliverable should be in the form of a Google Docs Document. Share the link below.
